Perche` I pinguini non volano.

Why penguins don't fly.

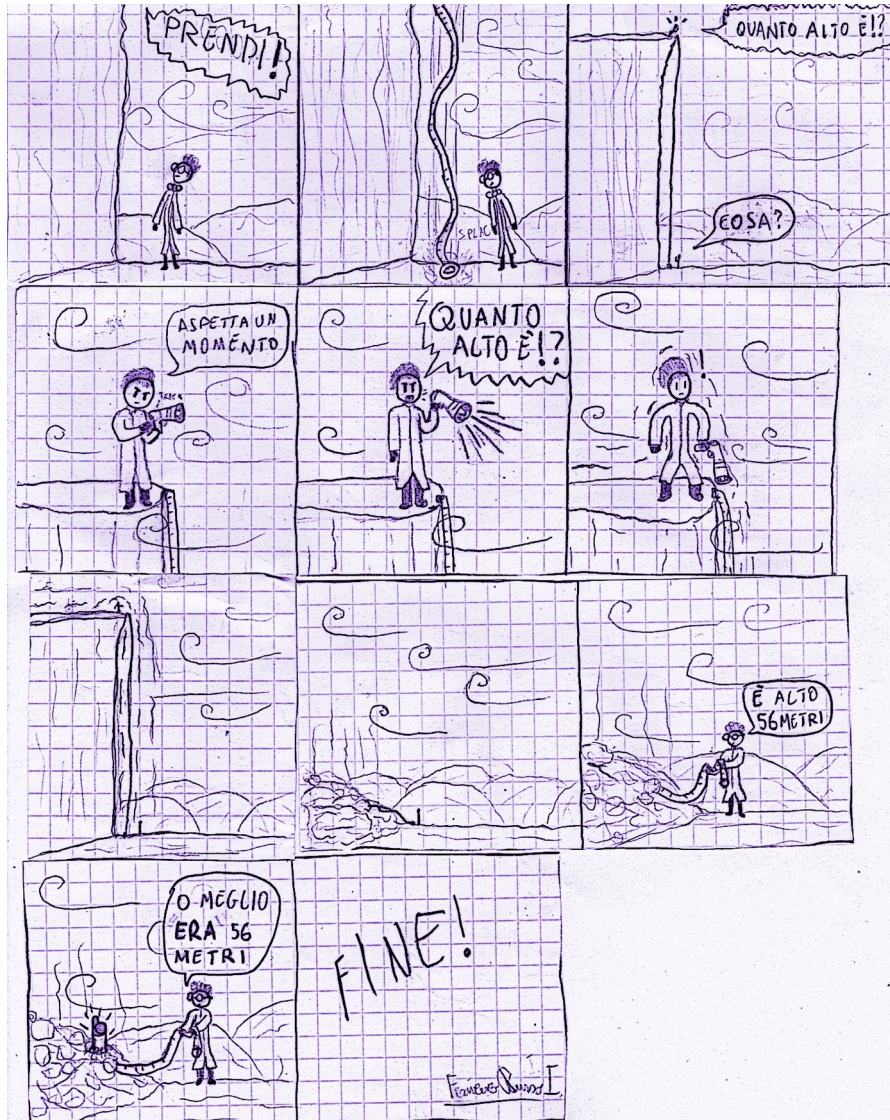

M.: Today is a very good day to go to Antarctica with...my steamship.

P.: (flying)...sniff-sniff...coff-coff! (landing) Who votes for "don't fly anymore?"

P.: Me! Me! Me! Me! Me!

The End!

Misurazione del ghiaccio

Ice measurement

A.: Take it! How high it is!?

S.: What did you say?

A.: Wait a moment...(turns on the megaphone) How high it is!?

(earthquake, the ice collapses)

S.: It's 56 meters, or better...it was 56 meters.

The End!

L'origine del termine Antartide

The origins of the word Antarctica

A.: If exists a north pole, a south pole would exists too and me, Aristotle, will call it "Antarktikòs".

S.: Stop to say things like that and drinking that stuff.

A.: You son of a...

The End!

La temperatura nell'Antartide

The temperature in Antarctica

It's too cold, I need more heat...
 (rubs hands, fire is crackling...)
 AAAAAAH!! TOO MUCH HOT!!!
 (snow is melting... the hands are...
 FROZEN? what the...!?)
 (sigh)
 I really HATE Antarctica...

ITIS "Leonardo da Vinci" oggi

Q: What is the Antarctic treaty?

A: An international agreement for the conservation of the continent in favour of Mankind.
